

## LOCATIONS

### LOCATIONS

Ecuador: a small and beautiful country with rich natural and cultural resources and a great deal of geographic diversity with a variety of regions such as the Coast, the Andes, the Amazon and the famous Galapagos Islands.

Located in the Center of the World, Ecuador is divided into two equal parts by the imaginary equatorial line hence the name Ecuador, the word for equator in Spanish.

In addition to the natural and cultural beauty of the country Ecuadorian people are so friendly and kind that it makes it easy to travel around the country.
