## Donations

As a non-profit organization, VENAEcuador is dependant upon a combination of volunteer assistance and the generous donations of contributors like you. It is your help that makes all of our projects, care-packages, and other forms of community assistance possible. While any form of donation is welcome—be it through the contribution of time, money, or resources—we would especially appreciate items such as:

Used clothing in good condition

Books

Educational materials (i.e. computers, pencils and pens, educational books in Spanish on various subjects, calculators, dictionaries, paper, rulers, desks, etc.)

Toys

Medical equipment and supplies

Monetary contributions to contribute to schools and communities in need

Please send all donations to:

Fundación VENAEcuador Mariana Lara Presidenta

Quito - Ecuador

Thanks so much for your assistance!
